SOME SMILES

Unlucky Charlie

At one time I did a newspaper column called "Meeting People". I would interview people who either had unusual jobs or experiences. There was a woman of 89 who made a good living digging worms for fishermen. Then there was a fellow who once sold imitation heads to head hunters in the jungle. My friend Joe called me to the phone. Told me to meet him there. He had a character who had a tale of woe to tell me.

So I went to right where Joe called me and he introduced me to Charlie who began his story at once.

"I guess I am the unluckiest guy in the world. I bought a car last month. It was stolen. So I had to give up the car and I lost the dough I paid for it. Then last week I wasn't looking where I was going. I bumped right into a ladder and a can of green paint fell over me.

I had ten single dollar bills in my wallet. Opened the wallet and it was so windy I lost every one of those dollar bills. I just have no luck. I cross the street when the light was red. Millions of people do that. But a cop spots me and gives me a summons. I paid in cash for a pair of shoes. But I couldn't find the receipt. So to get those shoes I had to pay a second time. Boy, do I have the rottenest kind of luck.

Notice that my hand is bandaged. I opened an envelope and cut myself deep with the paper edge. And I dropped my eyeglasses this morning and broke them.

"By the way," I interrupted. "What business are you in?"

"A good business," he replied. "I sell lucky charms. Want to buy one?"

Columbus' Egg

In this world, there are people who are always jealous of somebody else. And if that person should succeed and attain fame, they will belittle the achievements. My hero is Christopher Columbus. In Italian his name is Cristoforo Colombo. There are specialists who have spent years trying to prove that others really discovered this country. And you will find the sneering person who says: "Big Deal! Now what did he really do? He didn't know where he was going. He didn't even know how to get there. And when he got there, he didn't even know where he was!"

What can you do with these people? Some four hundred years ago a story was written about Cristoforo Colombo and how he handled this type of person. I read it in Italian. I have translated and sort of adapted it. Our hero was invited to a banquet and he was given the seat of honor. Naturally, the principal topic of conversation was his grand voyage. One of the belittlers was there and spoke his mind.

"Come now, you will have to admit that there certainly were men in Spain capable of doing what you did?"

Cristoforo Colombo didn't answer. He signalled to one of the waiters and then whispered something in his ear. A little later the waiter returned and put a hard boiled egg before each man present. And Colombo asked them to stand the egg upright. They tried and failed. Then he took the egg, cracked it at the bottom - and it stood erect.

"Simple, eh?" he grinned. "Once somebody shows you how to do something, you all can do it. But remember, I was the one who showed you how to get there. After that, it was easy."

Cool and Clever

The late John Harrington was famous for two things. He never lost his head in any kind of an emergency. And he had a very good sense of humor. Put the two together and you have an unbeatable combination. Especially since he was a world traveller and always running into dangerous situations. In some parts of this world, there isn't much difference between the beggar and the robber. When asked for a hand-out or alms, you better give it or else....

It was late at night when a tough looking character suddenly jumped in front of him with a knife in his hand.

"I need twenty postosos. Only twenty, do you hear. Give them to me or I will kill you."

"I do not doubt you at all," replied John Harrington with a touch of fear in his voice. I shall be glad to give you the sum mentioned. And since you are a man of honor, I know you will only take twenty postosos and no more. I have with me a hundred postosos bill. I am glad to give you your money. So I give you this bill and you give me the change. Only 80 postosos. Fair?"

The man hesitated and hardly could believe his ears. He pocketed his knife and ran away. On another occasion, in a different country, another tough man came up to him.

"I want 70 reales. You hear me. You better give it to me now."

"You are a bit mixed up," replied John Harrington. "I am working this side of the street. I see you haven't read the latest decree of the government. Now you go on the other side and stop people and ask for money. This side belongs to me."

And that is just what the man did. Could you be that cool and clever?

— And You Can Use Them to "Muscularize" Your Own Body!

HOW did Larry Scott change his once thin, weak-looking body into one that is so muscular, so powerful and so well-proportioned that he has been called the "Most Perfectly Developed Man of All Time"? How did he make the amazing transformation that won him the biggest titles in the world: "Mr. America," "Mr. Universe" and "Mr. Olympia"? And how did he do it so quickly?

Now, for the first time Larry reveals his innermost training secrets in 7 easy-to-understand, quick-reading courses. In them he tells of "secret" exercise methods that have never been made public before — methods so revolutionary, so astounding in the results they bring that it's almost hard to believe — until you *try* them yourself.

For instance, in one course Larry tells how you can quickly add 2" — 3" — 5" or even *MORE* to your "pipestem"-thin upper arms. In another course he gives you his unique system that can pile up to 5 power-packed inches to your chest and improve your lung power for swimming, running and other sports. In still another he gives you a foolproof method for adding 4" of strong, athletic muscle to your legs and pack them with spring and "piston-powered" speed.

All this and much, much MORE he reveals in his 7 complete courses. Here's the complete list:

1. How to Develop a He-Man V-Shaped BACK
2. How I built My W-I-D-E SHOULDERS
3. Building a "Mr. America" CHEST
4. Herculean LEGS The "Mr. Universe" Way
5. How I Built My 20-Inch [redacted]
6. Molding the "Mr. America" BODY
7. Album of Larry Scott's Best Photos and How to Pose

WEIDER DISTRIBUTORS, Inc.
531 - 32nd Street, Union City, N.J. 07087

Each course is complete and filled with action photos that show how Larry performs his "secret" exercises. Thousands have been sold at $1.98 each — a total of almost $14. But now as a reader of this magazine you get all 7 for just $7.98 postpaid — a savings of over 40%!

Let Larry prove his system *WORKS!*
